

ADDED INCOME OF \$5,500 ENTERING TOWNSHIP DAILY

More than \$5,500 is now flooding into Washington Township daily through the U. S. mails.

The new income for the township represents the refund being received by the veterans of World War II on their National Service Life Insurance.

The government last fall declared a dividend for all ex-G.I.'s who carried the insurance during the war years and announced that payment would begin some time after the first of the year.

The first checks began arriving here two weeks ago and now have reached the stage where an average total of 22 checks are being received daily in the eight post offices of the township.

First veterans to receive their checks were those with service numbers having zeros as the last three digits.

This week's series of checks have now progressed to the numbers ending with 150.

The average checks, according to an announcement by the government, range around the \$250 mark with some running more than \$400.

Just who was the first to receive his or her check here has remained a subject for argument, but two Centerville men are resigned to the fact that their's will be the last received.

They are James George, post office clerk, whose service number ends with the numerals 998, and Ralph Boliba, groceryman, with 999.

The amount of payment to the veteran is based on the number of months the policy has existed, the amount of the policy and the payments made, based on the age of the insured at the time the policy was activated.

HIGH SCHOOL VODVIL FEB. 16-17 FEATURES 2-HOUR WORLD TRIP

The Washington High School Vodvil, that popular annual show that always plays to a packed house and rolls 'em in the aisles, is scheduled to make its appearance this year on February 16 and 17, at the high school auditorium.

The students will center their skits, songs, and dances around two girls, Lorraine McLain and Alma Clark, who take a European tour. The two visit such countries as Ireland, Scotland, France, Spain, Portugal, Russia, Italy, Sweden and Rumania. Their tour provides the motivation for a variety of acts that bring in the color and the customs of the different countries.

The cast is comprised of 65 student actors. The music will be presented by the High School band, and the Vodvil itself is under the general direction of Mrs. Hartsof.

Music for the two-hour entertainment will be under the direction of Dwight and Harriet Thornburg, Dorothy Czerny has charge of the decoration of the sets, Audrey Carmody has designed and made the costumes, Bill Mette is in charge of the construction of the sets, Hugh Kibby is in charge of the printing of the programs, and Gertrude Dutra is supervising the dances.

A matinee for students of the elementary schools of the township will be given at 1 p.m. Wednesday, followed by the two evening shows at 8:15 on Thursday and Friday, February 16 and 17.

EMPLOYMENT OFFICE TO CLOSE FEB. 12 AND 22

The California Department of Employment office at 679 Watkins Street, Hayward, will be closed on Monday, February 13, in observance of Lincoln's birthday, it was stated this week by L. R. Bradley, manager.

Persons scheduled for visits on that day are being advised to report on Tuesday, Feb. 14 and Wednesday, February 15.

The office will also be closed on Wednesday, Feb. 22, Washington's birthday, and appointment schedules are being revised to accommodate applicants on the two following days.

ENTRIES FILED IN SPEECH CONTEST

"Education in American Ideals, a Basis for International Understanding," is the topic for the annual Lions Club public speaking contest, it was announced this week by Don Wolfe, chairman of the contest for the Centerville Club.

Wolfe stated that the students of the four Senior social study classes at Washington Union High School have completed their essays on the topic and submitted them for grading.

The eight students whose papers are selected as the most outstanding, will compete in a public speaking contest before the student body about March 1 and the three top speakers will compete before the March 14 meeting of the Lions Club at the International Kitchen.

The student winning first-place honors will represent the local Club in the regional contest later this spring.

SANITARY ANNEX AT NILES CALLS BOND ELECTION

Property owners of the land near Niles recently annexed to the Union Sanitary District will vote at a special election on March 7 on the proposal to bond the area for \$60,000.

The election has been called for the purpose of raising money for the acquisition and construction of sewers, manholes, lampholes and sewerage collection system, together with land, easements and territory in the territory annexed to Union Sanitary District and designated as Annex No. 2.

The bonds proposed could not bear interest of more than five per cent per annum and the number of years which the whole of the bonds are to run shall not exceed 40 years.

Two polling places have been set up for the election and the polls will be open continuously from 7 a.m. until 7 p.m.

Precinct No. 1 shall consist of all that portion of Annex No. 2 lying within the boundaries of General Election Precincts of Alameda County designated as Niles 1 and Niles 7.

The polling place will be the Juhl residence on the Niles-Mission Highway. Mrs. Ferne E. Mitte will serve as inspector and Mrs. Agnes Garcia and Mrs. Viola Dias will act as judges.

Precinct No. 2 will consist of all that portion of Annex No. 2 lying within the boundaries of General Election Precinct designated as Niles 2.

The polling place will be the Welsh residence at 220 Deer Road in Canyon Heights. Mrs. Esther L. Crosswhite has been named to serve as inspector and Mrs. Celestine Welch and Mrs. Virginia Mottershaw will serve as judges.

DUMBARTON ROAD FUND ALLOCATED

The State Allocations Board this week apportioned \$25,037.10 to Alameda County for Dumbarton Road improvements.

Plans call for construction of nearly five miles of road, which will cost \$180,959.70, remainder of the money to come from the county road fund.

MAY OBTAIN DOG LICENSES FEB. 15

The Register was informed late yesterday that Charles Beller, deputy from the Alameda County Clerk's office, will be in Niles on Wednesday, February 15, to issue dog licenses.

Mr. Beller will be at the Niles Justice Court between the hours of 9 a.m. and 4 p.m. and has warned that February 15 is the deadline for obtaining the licenses.

A deputy clerk was in Niles earlier this month to issue licenses but was not available to local residents during the afternoon and many were therefore unable to register their pets.

At the request of many dog owners here, The Register this week contacted Supervisor Chester E. Stanley who arranged for the return visit of a member of the clerk's staff.

FAMILY OF EIGHT MADE HOMELESS BY FIRE AT NILES

A Niles family of eight was left virtually destitute last Friday morning by a fire which completely destroyed all their worldly possessions.

The family is composed of Mr. and Mrs. Louis Angelo and their six youngsters, who resided in a building on the grounds of the California Nursery where the father is employed.

FLAMES SPREAD FAST

Mrs. Angelo was alone with her four-year-old daughter, Lola, in their living quarters in a large two-story dormitory building, formerly used by the nursery as a dormitory, when she discovered the fire. She barely had time to grab her daughter and dash from the building before the entire wooden structure burst into an inferno.

The blaze, believed started from faulty wiring, destroyed all of the household goods and clothing of the family. None of their belongings were insured.

Mr. Angelo, employed at the nursery as a mechanic, was out of town on business at the time of the fire and did not learn of the loss until he arrived home late that afternoon.

The family has been moved into temporary small quarters on the nursery grounds but are in dire need of assistance.

The Salvation Army responded immediately to a call for aid and supplied the family \$70 in bedding and clothing and a \$25 grocery order.

The officers of the Washington Township Child Welfare Club also contributed from its limited budget to the family by supplying a \$25 order for clothing.

LITTLE ASSISTANCE

At noon yesterday, nearly a week after the fire, the Red Cross had allowed the family but one \$25 merchandise order, which was used by Mrs. Angelo to purchase some badly needed dishes and kitchenware in which to prepare and serve the meals to her family.

Their Needs Are Many

The residents of Washington Township are not often called upon to give generously to help their fellowmen who are suffering from disaster but when that appeal has been made it has never fallen on deaf ears.

Such an appeal is being made now for the family of young Mr. and Mrs. Louis Angelo of Niles.

Tonight, and every night since their home was destroyed by fire, along with all their possessions, Mr. and Mrs. Angelo and their six children, ranging in age from 4 to 19, have slept on bare cot springs without mattresses, wrapped in donated blankets.

Little 4-year-old Lola, who saw her home devoured by flames and screamed hysterically through the ordeal until she was violently sick, is ill from a cold. Neither she nor any of her family have the luxury of a pillow at their head.

Her one sister and three brothers who attend Niles Elementary School can barely scrape up enough donated clothing to permit them to attend classes.

They have no chairs in their cramped quarters; their only bureaus are pasteboard boxes which their mother has improvised around the floor.

Mealtime is not the happy event it used to be just a week ago.

At a time when it is best that a youngster's mind not dwell on memories of a disaster which destroyed her crib and dolls there are no toys to occupy her mind.

SO MUCH IS NEEDED SO BADLY!

For those who can spare the time and trouble to help this young couple, who have never before needed or sought aid, we ask that you bring your articles of clothing, toys, household furniture and necessities to The Township Register where they will be turned over to the Angelo family.

Boys' clothing is needed in sizes 12, 8, and 6, and girls' clothing for sizes 6 and 4.

Pause a moment. Remember that but for the grace of God it could be you that needed so badly the help of your neighbors.

QUARESMA HEADS NILES CHAMBER

Judge E. A. Quaresma will serve as president of the Niles Chamber of Commerce for the ensuing year. He was elected unanimously Tuesday noon at the regular luncheon meeting of the organization at the International Kitchen.

Directors elected were: Dr. T. C. Wilson, Dr. E. C. Grau, Kenneth Bruner, Virgil Young and L. R. Batman.

The new officers will assume their duties at next Tuesday's meeting. Outgoing president is John Brahmst.

SHOP LIFTER GETS 10-DAY JAIL TERM

John Monaski, 68, known to police as "Willie the Weep," was sentenced to serve 10 days in the county jail when he appeared before Judge E. A. Quaresma in Niles Justice Court Friday.

Monaski entered a plea of guilty to a charge of petty theft, admitting that he took five knives from the Cozzi Variety Store in Niles last Thursday.

Mrs. Margaret Cozzi, owner and operator of the store, saw the transient pocket the knives and followed him out onto the sidewalk where she demanded return of the merchandise.

In court here Friday Monaski admitted more than a dozen previous arrests for shop lifting.

DEMONSTRATION TODAY

Orchard spray recommendations, mixtures and insect identification will be discussed and demonstrated at the Manuel Freitas Ranch on Thornton Avenue, one-half mile west of Route 17, today (Friday) beginning at 1:30 p.m.

The demonstrations will be conducted by Lee C. Benson, farm advisor, and all orchardists in the area are invited to attend.

MUSHROOMS COST THREE MEN \$75

Some days you can't save a nickel.

At least that is the feeling of three Oakland men who drove to a ranch near Alvarado two weeks ago to get a free "mess" of mushrooms and ended up paying \$25 a piece for their trouble.

The three men, Julian J. Grabanski, Joe Baker Jr. and Axel Edwards, selected the field of Mrs. Dorothy W. Hill near Alvarado as the most likely place to find the mushrooms and promptly climbed the fences and began their search without the permission of the owner.

Asked to leave by the owner, the three men called her "insulting names," according to the complaint signed by Mrs. Hill.

They appeared before Judge Allen G. Norris in Centerville Justice Court last Friday and entered pleas of guilty to trespassing and paid the \$25 fines.

SCOUTS PREPARE ELABORATE PUBLIC SHOW FOR FEB. 11

Youths of the Boy Scout and Cub Scout troops in Washington Township joined this week with the 2,300,000 Scouts of the nation in the observance of Boy Scout Week, marking the 40th anniversary of the founding of the organization.

Attractive window displays of Scout crafts have been arranged in Niles and Newark by the Scouts. Troop 2 of Niles, aided by Leader Tom Robbins, has an attractive window display at The Township Register. The Niles Cub Pack has decorated a window at Scott's Shoe Store in Niles and the Newark Scouts have arranged an attractive display in the window of Sears and Houston Store in Newark.

NO ADMISSION CHARGE

Highlight of the week's activities will be a "Scouts in Action" show at the gymnasium of Washington Union High School on Saturday evening.

The show, open to the public without admission, begins at 7 p.m. and all troops and packs of the township will present a three-hour entertainment, climaxed by a Court of Honor.

This annual show is presented to afford the public an opportunity to pay its respects to the youths who participate in the fine organization and to view the crafts and achievements of the boys during the past year.

HOPEFUL OF LARGE CROWD

Scout executives have expressed hope that the parents and friends of the youths will fill the gymnasium to capacity, thus expressing their appreciation of the work that the Scouts and their leaders are accomplishing.

They pointed out that although the festivities get underway at 7 p.m., the stage show and presentation of awards will not begin until 9 p.m., and those unable to be present earlier to view the exhibits are asked to plan to attend the impressive Court of Honor.

PLEAD GUILTY TO TAKING SCRAP IRON

Emiliano Garcia and his son, Lupe, 307 Fifth Street, Decoto, appeared in Niles Justice Court last Friday on charges of petty theft, involving several tons of machinery and scrap metal missing from the area of the gravel pits in Niles, formerly operated by the Pacific Coast Aggregates.

Morris Nowling, Oakland, has reported approximately \$50 in scrap metal missing from his holdings here and Sid Jones of Hayward, who operated the asphalt mixing plant, estimated \$2000 worth of machinery missing from his inoperative plant.

The two defendants entered a plea of guilty to the first count of theft and the state dismissed the second count against each man. The case has been continued to February 24 pending the investigation of the probation authorities.

OBSERVE FOUNDERS' DAY

Lowell Clark, speech teacher and instructor in speech correction and lip-reading, will be the speaker at the regular meeting of the Niles P.T.A. next Tuesday, Feb. 14.

STATE OFFICIAL TO MAKE SURVEY OF HOSPITAL DISTRICT

Continued progress toward the ultimate goal of the erection of a hospital in the Washington Township Hospital District was noted Wednesday evening at the monthly meeting of the directors.

A letter from Gordon Cummings, chief of the Bureau of Hospitals, State Department of Public Health, was read, stating that he is accepting the invitation of the directors to visit the district for a first-hand study of the needs here.

L. S. Whitaker, Niles, president of the local board of directors, said yesterday he was unable to reach Cummings by telephone but expressed belief that the state official would be here sometime this month. He will be taken on a tour of the district by the directors.

It was also announced at the meeting that the tax money collected by the county for the local hospital district is now available. The directors voted to bring the money to the township to be deposited in the four local banks.

Whitaker stated that the interest from the money will more than pay for the present petty expenses of the district. The fund will be kept here ready to be used in the purchase of a site when the final approval for the construction of a hospital in the district is received from the state.

ALLAN HIRSCH NAMED TO HEAD IRVINGTON C. OF C.

Vice-President Allan Hirsch was named to be elevated to the presidency; Bob Zwissig was named for the vice-presidency, Cliff Rogers was nominated for re-election to the post of treasurer and Frank Mayer was named to continue as secretary.

Ladies of the members of the Chamber will be feted at a Ladies Night Dinner to be held the evening of February 21 at the International Kitchen, at which time the new officers will also be installed.

The committee in charge of arrangements is composed of Joe Rose, Walter Connolly and Carl Christensen.

Rose stated that as a portion of the program Harold Speetzen will give a brief talk on his recent trip to Mexico and some travelogue movies will be shown. The dinner-meeting has been tentatively set for 7 p.m.

ANOTHER PARTY

There are all sorts of excuses the gals of the Mission think up to get a chance to have "A Party," so on Monday evening there was a "bedroom warming" at the home of Florence Thompson on the Bunting ranch. It was a complete surprise to her when 18 of her friends and post office associates barged in to see the new addition to their home, a lovely large bedroom, play games, have a gab fest and indulge in refreshments. Those present were: Fern Overacker, Aldina Garcia, Margaret Phillips, Teenie Alberts, Mary Rodrigues, Irma Vargas, Sally Souza, Kay Burt and daughter

Katharine, Theo Overacker, Irma Vargas, Grace Veith, Dot Koelsch, Flo, the honored guest, and the two other post office gals, Roe and Lo. Others who could not attend were: Betty Andrade, Hortense Andrade, Beverly Medeiros, Ella Andrade, Jay Souza, Freida Frei, Maude Holtz and Teddy Pereira. Florence goes in for antiques and will get a couple of marble topped bedside tables for that bedroom which was warmed.

WORK PROGRESSES

From the way that truck keeps running up and down the road and dumping the debris near Ben's Chicken Shack, you would think they are completely dismantling the old Mission instead of just repairing it, but I understand that plenty of dust and dirt has accumulated in the last hundred and fifty years under that roof. Any way it will be well worth the effort when it is all done and ready to be opened to the public again in the summer.

AT PLACERVILLE

The Bottenbergs—Lois and Glenn—spent the week-end at Placerville with Norman, Elaine, Vicki and Teri Kamp. It was one long rainy week-end, but Glenn made the trip to see his doctor there. Grandmother Wilcox went to the Floyd Crosses at Redwood City while they were away. (Yes, could not let a chance go by to mention we were out.) (Seems some can't stand to see the articles repeat themselves about the same people sometimes.)

BIRTHDAY PARTY

To celebrate her 74th birthday, Mrs. Mary George was given a lovely birthday party at the home of her daughter, Mrs. Rosie Soares at Alviso, near Alvarado, which was attended by many relatives and friends. Two large birthday cakes and other refreshments were served after an evening of card games and dancing. Her children who were present were: Mrs. Mary Brown of Mission San Jose, Lena

Azeveda of Hayward, Maggie Soares of San Jose, Tillie Soares of Hayward, hostess Rosie Soares of Alviso, Elsie Goularte of Hayward, Ida Harrant of Hayward, Frank George, son, and Manuel August, half-brother. She has 12 grandchildren and 6 great-grandchildren. She is staying at present with her daughter, Mrs. Mary Brown here in the Mission.

THEATER AND SHOW

Patricia Garcia, who used to work for St. Marys of the Palms, last week by her good friend, Mrs. Maria Schneider, and they enjoyed an afternoon and evening of theater going and dining together and talking over old times.

ANNUAL ELECTION

The Firemen of the Mission met Tuesday evening and held their annual election of officers. There was also a detailed report from the commissioners who have decided to meet once a month to talk over plans for a new firehouse which may be in the process of building in the first part of 1951. Those elected to office were: Chet Holtz, president; Herman Medeiros, vice-president; Frank Vargas, re-elected secretary; Tony Perreira, re-elected treasurer; and George Rodrigues, sergeant-at-arms. The firemen will make plans in the near future for their annual dance.

IN REDWOOD

Mrs. Elsie Wilcox is spending a few days over at Redwood City with her son and family, Mr. and Mrs. Floyd H. Cross.

HOME FROM HOSPITAL

Mrs. Winifred Fernandez, who has come home from the San Jose Hospital feeling much better, wishes to thank all her friends for being so thoughtful to send her all those lovely cards and gifts from the Mothers' Club and the auxiliary.

IN THE HOSPITAL

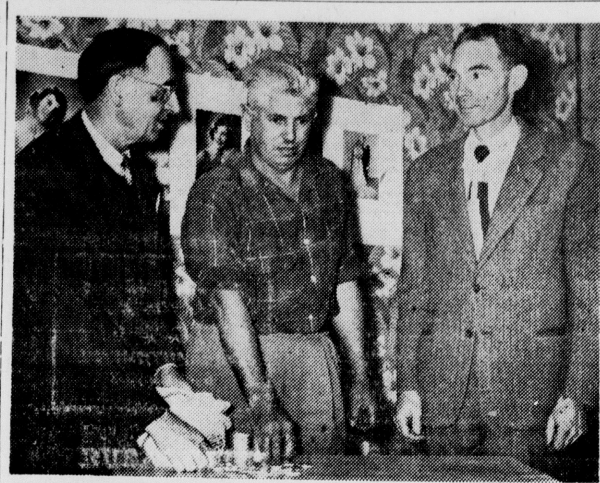

We are sorry to hear that Mr. Marvin Lofton had been rushed to the S. P. Hospital in San Francisco Sunday suffering with severe pains in his abdomen and is under observation and will undergo x-rays to determine what is wrong. He works for the S. P. as a mail clerk on the south bound run.

BIRTHDAY CELEBRATED

Little Helen Neeley, daughter of Mr. and Mrs. Richard Neeley of San Jose, former residents of the Mission, came here with her mommie and baby sister to spend the day with Helen and Joe Semas on February 2, and to celebrate her birthday with a cake and ice cream served to her at the fountain that Helen and Joe own. Also celebrating their birthdays with their respective families were Dot Koelsch and Herbert Santos.

YOUTH CENTER

The Youth Center held its regular business meeting on Thursday evening at the home of their good friends, Mr. and Mrs. Tom Cunha, and their next party will be a skating party at Niles on February 18. Everyone takes care of his or her expenses.

THOSE SILVER DOLLARS GET AROUND . . . C. W. Kraft, president of Kraftite Company at Niles, and J. A. MacDonald, company treasurer, made the rounds of the township this week paying accounts with the silver dollars which are being used this month to mark the 25th anniversary of the company.

In the top photo MacDonald, left, and Kraft, right, settle their account with Elmer "Buster" Stinhilver, Centerville photographer. In the center picture the Kraftite officers leave a portion of their silver at the Township Register office to settle their printing account with Mr. and Mrs. L. R. Batman, publishers. HOME AGAIN

Little Georgene Foolensbee has returned from a two weeks vacation with relatives and it is so nice to have her come to the post office, and in a very grown-up lady-like voice, ask "Any mail for me?" You see she is about five.

BACK TO OLD JOB

We hear that Elsie Soito Harvey is going back to her old job at the Roethlin Cafe in Irvington

and going to make her home here at the residence of Frank and Grace Vieth. Also Evelyn Meyers, daughter of Grace, now has a car which she uses to run to work in.

A RELIC GONE

The "vandal" who stripped the old telephone switchboard from the telephone office which the company allowed us to keep here in the Mission at the Mission San Jose Guadalupe, sure has a lot of nerve and I would suggest that all the wires, head phones, etc., be returned before the former Hello Girl gets onto their trail. It was put in the Mission for a relic in years to come for it was a very old one belonging to Mission San Jose for many years. How about bringing back all that was taken from it?

Rheumatic fever occurs most frequently between the ages of seven and ten, but is not confined to childhood. During World War II, about 40,000 men in the American forces developed attacks of rheumatic fever.

CANYON RESIDENTS SEEK ANNEXATION

Fourteen of the 26 property owners along the old Niles Canyon Road between Clark Bridge and the end of the road met Wednesday evening and expressed their desire to annex their property to the Union Sanitary District.

The meeting, held at the Niles Justice Court, was presided over by Jack Parry and Vernon Ellsworth, representing the Niles Chamber of Commerce.

Harry Goodridge, engineer for the Union Sanitary District, told the property owners that the approximate cost of the construction of sewer lines to all of the homes would be in the neighborhood of \$8,600.

The group is now preparing petitions for the signatures of property owners involved, requesting that their area be annexed to the district. The signatures of 75 per cent of the property owners must be obtained to complete the annexation.

DECOTO INFANT DIES

Julia Ann Galarsa, 2½-month-old daughter of Mr. and Mrs. Ernest Galarsa, 609 Ninth Street, Decoto, died of pneumonia in an Oakland hospital last Friday.

A blessing was held from the residence in Decoto on Saturday and the infant was laid to rest in Holy Sepulchre Cemetery, Hayward, under the direction of the Berge Mortuary Company, Niles.

Say you saw it in The Register.

24 hour refrigeration for less than 2 cents a day

If you were to pick out one of the "best buys" in your home today, you probably would choose your faithful food-saving, money-saving refrigerator. You keep it stuffed full of snacks of food and, like a

saving soul, it keeps meal left-overs savory and fresh for choice nibbling or another meal. On the average, the electricity for this food-saving refrigeration costs you only about 2 cents a day.

Summer Fruits and Berries are flavor-fresh delights for winter meals when stored quick-frozen in a Home Freezer. Wise food shoppers say—a Home Freezer pays for itself with food bargains bought and stored away.

It's a tough and rugged battle against winter's fury to keep your lights bright these days. More than 1000 men work early and late in sub-freezing weather to keep water flowing and to repair the storm-damaged lines.

For the record

Compare the amount of electricity available to customers in the P. G. and E. area with that produced in England under Socialism and in Russia under Communism.

256 Russia—256 kilowatt hours of ELECTRICITY per capita.	850 England—850 kilowatt hours of ELECTRICITY per capita.	2400 P. G. and E.—2400 kilowatt hours of ELECTRICITY per capita.

The Men's Club held their regular meeting on Thursday, Feb. 2 with Mr. Claire Lopez as host.

Seven members of the choir took part in the Missionary Service at Grace Cathedral in San Francisco on January 31. On that same day and on Wednesday, February 1, Mrs. Edna Tyson and Miss Aline Hoskins attended the Diocesan convention in San Francisco. The principal action of the convention was the approval of Bishop Block's request for a suffragan bishop (a suffragan bishop and a coadjutor are both assistant bishops but the former doesn't automatically become bishop when his superior dies or retires, as does a coadjutor.) It will take some four to six months before the new bishop can be consecrated, as every bishop, standing committee of ever diocese and missionary district must approve of the holding of such election, then after 30 days notice is given, a special convention of lay clerical delegates is called to elect the bishop; the man elected must, in turn, be approved by every bishop and standing committee.

Mrs. Dick Sparrowe, Mrs. Edna Tyson, Mrs. Dora Anderson, Mrs. Alfred Dana and Mrs. Olive Hoskins attended the Diocesan Auxiliary meeting held in connection with Diocesan Convention in San Francisco.

The next achievement night will be held on February 27 at 8 p.m. at the Centerville Elementary School. Cubs are asked to bring their parents and families to this meeting. Skits and movies will be presented by the Cubs.

The charter for the newly organized Irvington Cub Scout Pack will be presented tonight (Friday) at a potluck supper and meeting to be held at the Community Center at the elementary school beginning at 7 p.m.

Cubmaster Stan Kearley stated yesterday that 34 boys have been signed up as members in the new Pack and the sponsoring adult organization is now fully formed.

Members of the Cub committee are Raymond Bass, Walter Woodward, Richard Creitz, Fred Forsyth and Xerxes Stone.

Den Mothers who have volunteered their services are Mrs. Raymond Bass, Mrs. Bryce Phillips, Mrs. Walter Woodward and Mrs. Walter Connolly.

BIG CARD PARTY
SET FOR NEWARK

St. Patrick's Day has been set as the time for the public card party to be given by the Newark P.T.A., according to Mrs. Fred Melhase, president of the organization. Plans were completed at the regular meeting held this week.

In charge of arrangements for the affair will be Mrs. William Dutra, and Mrs. Jud Taylor has been named "cake" chairman. Tickets will sell for 40 cents.

The members of the P.T.A. very proudly turned over \$495 to the trustees to start the school lunch program, which will be an innovation at the Newark school.

The money was derived from proceeds of public benefits the P.T.A. has given in the past.

A LOYAL IRVINGTON FAN

I'm sure that the manager of the Irvington Theater would be very glad to know that he has an extremely loyal patron—one who, as she says, goes to the show "just as often as I can."

This loyal theater-goer became so incensed because of a heckler the other night at the Irvington show that she phoned the Register and wanted to voice a complaint through the paper. "He's (the manager) trying to give us a good show, and he's doing the town of Irvington a service by operating the theater. We should all get behind him and help him make a go of it," she said.

If business men ever become discouraged over the seeming lack of interest of residents of their communities, let them remember this incident, and that there ARE people who do appreciate their efforts.

A TROUBLESOME SWEET TOOTH

The proprietress of the Niles Bakery is worried this week over what may seem a trivial problem to some people, but one that is beginning to loom as something of a bugbear to the smiling bake-shop owner.

"When I first opened the bakery," she admitted, "I used to want to sample everything in the show cases. And I did—at first. Then I realized that if I didn't stop, I'd get fatter and fatter. So I quit eating the bakery goods. But then," she went on, in a discouraged tone, "a woman came in the other day and told me that the sugar from the bakery goods gets into the air, and that, just by breathing, I will very likely gain weight." She concluded unhappily, "Now I just don't know what to do."

Perhaps some of the readers have heard of this startling theory of gaining weight from the mere fumes, so to speak, from the bakery goods, but it was an entirely new idea with me, and one that I find pretty hard to believe. In this atomic age, however, I refuse to say "It couldn't happen." However, I WILL say, "Show me."

REBEKAH NEWS

The next regular meeting of Silver Star Rebekah Lodge No. 336 will be held Friday evening, Feb. 17, at Odd Fellows Hall in Irvington, according to Irene Bales, Noble Grand. After a short business meeting, refreshments will be served by Edna Heschler, Jennie Mohn and Ruth Meck. Entertainment for the social hour will be in charge of Elizabeth Mendenhall and Anna Fields.

LAMOREUX TO TALK BEFORE POSTMASTERS

"This is a Fowl Subject" will be the title of an address to be made by Dr. W. F. Lamoreux of Kimber Poultry Farms before the members of the Alameda County Postmasters' Association at their dinner meeting at the International Kitchen on February 15.

Ed Enos, Niles postmaster, will be the host for the evening.

FOOD SALE SATURDAY

The members of Sanford Circle of the Niles Congregational Church will sponsor a bake sale at the Niles Furniture Company on Saturday beginning at 10:30 a.m. The committee has announced that the sale will feature cakes, pies, cookies and salads.

DECOTO DISCUSSION GROUP TALKS OF MOTHER LODGE COUNTRY

By ETHEL AVILLA

The book reviewed and discussed last week by the Decoto Discussion Group was "49'ers" by Evelyn Wells, newspaper woman and author, and the late Harry C. Peterson, historian. Mrs. Florence Wallace led the discussion on this new and interesting history of the old Mother Lode mining camps. Some are mere ghost towns, pathetic ruins, and many have disappeared, with scarcely a marker to record their site. Evelyn Wells brings to life a vivid picture of fiercely flourishing little cities, with newspapers, fire companies, brass bands, volunteer militia, banks, hotels, men of all nations

and colors and gold dust, lots of gold dust. Those were exciting days.

Mrs. Wallace's meeting was extremely interesting as are all the meetings dealing with California history.

Mrs. Dorothy F. Roberts, Alameda County Librarian, was hostess. She entertained with a luncheon at the International Kitchen and the discussion period which followed was at the home of Mrs. L. W. Musick. Mrs. Musick will lead the March meeting and has chosen "Lead Kindly Light" by Vincent Sheean, to be discussed at that time.

Mrs. James Whipple of Niles observed another milestone in her colorful and varied life yesterday, her seventy-fifth birthday. Her niece, Mrs. Jean Van Ophem, gave a small tea in her honor yesterday afternoon at the Whipple home on Fremont Avenue, when her friends came to extend their felicitations.

One half the population of California lives in the southern one-fourth of the state.

Niles Man and Berkeley Widow Will Wed Soon

A spring wedding is in the offing for one of Niles' confirmed bachelors, Mel Duffey, and Mrs. R. Leland White, a Berkeley widow.

Of interest to many people here is the fact that Mrs. White is the former Byrde Thompson, whose family lived on Fremont Avenue about thirty years ago. Mrs. White attended the grammar school in Centerville and was graduated from Washington High. She is looking forward to living in the country again, in spite of the fact that she has lived in the city for so many years. She has a son, Warren White, who lives in Berkeley.

Mr. Duffey has leased the Donovan place in Niles and the couple plan on redecorating the place and making their home there.

Bridal Shower for Genevieve Mello

And Now They Are Four

Michele's daddy is a teacher at the Decoto School.

Mrs. Nelson Home From Missouri

Mrs. Margaret Nelson of Niles returned here to her home last Friday after a six month visit in Kansas City, Mo. While there she stayed with her sister and brother, Mrs. Reid Jeter and Forrest Rhoades.

The first snow she saw on the return trip, amazingly enough, was as she came into California.

The fourth annual Spring Round-up given by the Future Farmers Chapter of Washington Union High School has been scheduled for May 6 at Memorial Stadium, it was announced this week by Jed Oxborrow, faculty advisor to the group.

Co-chairmen of this year's show will be Frank Hermosa and Ed Estacio, who have announced that a queen contest, to choose the "Farmers' Favorite Girl", will be staged in April with Ernest Kinzli as chairman.

Other chairmen named to head the arrangements for the show are: LeRoy Broun, publicity; Robert Lofton, refreshments; Kyoshi Katsumoto, tickets; Vincent Wallace, programs; Salvador Galvan, carnival and dance; Marcus Galvan, special events; Norman Goosen, horses; Larry Lamoreux, beef and swine; Albert Fries, dairy and sheep; Douglas Benze, poultry and rabbits.

Prominent stockmen and horsemen of the bay area will assist with the horse show and stock parade, which is an outstanding feature of the show.

Cash prizes and trophies are to be awarded for competitive events and entries of stock and poultry.

SCHOOL TRUSTEES WILL MEET HERE

The Alameda County School Trustees Association will hold its regular monthly meeting at 6:30 p.m. Thursday, February 16, in the cafeteria at Washington Union High School with the local high school board as hosts.

Dinner will be served the group, after which the members will hold a panel discussion led by trustees on such problems as school sites, types of construction, construction pitfalls, schoolhouse heating, cafeteria, swimming pools, and public transportation.

Orville Leitch, trustee of Warm Springs Elementary School, will conduct the discussion on the subject of cafeterias.

FORMER NILES MAN MARRIED IN NEW MEXICO

Troy E. Guy, a former Niles resident, was married recently in Clovis, New Mexico, to Miss Hazel Bingham. The exchange of vows was conducted by the Rev. J. C. English in the Chapel of the First Methodist Church there.

The bride has been employed for several years as a deputy tax collector in the County Tax Office. Mr. Guy served some seven years in the U. S. Navy, and for the past several years has been engaged in farming.

Mare Island was once a part of Sonoma County.

By GRACE CAMINADA

ON A HONEYMOON
On Sunday, Jan. 29, Miss Esther Valdez of Decoto became the bride of George Cosio, also from Decoto, at Corpus Christi Church in Niles. Esther, given away by her father, Mr. Grace Caminada, was in a beautiful white satin gown. Her matron of honor, Mrs. Peggy Cosio, was in a gown of aqua. Her attendants, who were Lucy Valdez and Annie Borrego, were dressed in pink gowns, while Eleanor Ramirez and Lois Gilbert were in gowns of lime green. All carried bouquets of pink carnations except the matron of honor who carried a bouquet of yellow roses. Santos Cosio served as best man for his brother. The ushers, all in tuxedos, were Harry Montelougo, Raul Orozco, Sam Avila, and Joe Gonzales. The flower girl was Jo Ann Haley who was in a pink gown. Ring bearer

was Richard Valdez. Richard Borrego and Marie Boronda held the bride's veil.

The bride carried a white orchid on a prayer book with rosary beads and streamers with love knots. The attendants had elbow length gloves and hats to match their gowns. The reception was held at the Labor Temple in Hayward. Afterwards the couple left for their honeymoon trip down south. The bride's stepmother was in a gray suit and wore an orchid corsage.

WINTER SPORTS
Peter Sanchez, Remo Caminada and Paul Pagan motored to Long-barn last Sunday to enjoy a day of tobogganing. Although a bit sore all three had loads of fun and expect to motor there again soon.

A SUCCESS
The Decoto P.T.A. wishes to thank all the merchants and patrons who contributed to the success of the whist party given by them recently at the Decoto school.

BOARD MEETS
The executive board of the P. T.A. met last Wednesday evening, Feb. 1, at the home of Mrs. E. Cardoza.

BEGONIA GROWERS TO MEET FEB. 16

Fuchsias will be the topic of the guest speaker at the February 16 meeting of the Southern Alameda County branch of the American Begonia Society. The meeting will be held in the Hayward High School faculty cafeteria at 8 p.m.

Arthur Mann, the new president of the San Francisco branch of the Begonia Society, who is also a very successful amateur fuchsia grower, will speak and share some of his growing secrets.

It is also the birthday month of the Southern Alameda County branch and added plans for entertainment are under way. Refreshments will be served at the conclusion of the meeting.

Anyone interested in growing shade plants is cordially invited to attend the meetings. Literature on begonia culture is available at the meetings.

MOTORIST FINED FOR LACK OF LICENSE

John D. Martinez, Decoto, was ordered by Judge E. A. Quaresma to pay a fine of \$25 or spend five days in jail when he appeared in court here last Friday and entered a plea of guilty to operating a motor vehicle without a driver's license. Martinez took the five-day sentence because of his inability to pay the fine.

THE BIGGEST SHOW IN WASHINGTON TOWNSHIP

If you had the opportunity of seeing
FREE a show here that in Hayward
would cost you fifty cents, would you
take advantage of it?

Well, of course you would. That is,
we assume that you would, inasmuch
as you are probably a normal person
who likes to take advantage of every-
thing life has to offer.

We are referring to the Cub Scout
and Boy Scout Exposition on February
11, being held in the gymnasium at
Washington Union High School in Cen-
terville.

It is the first time that the Town-
ship has had a Scout Exposition of this
kind. Prior to now, it has always been
held in Hayward, where the price of
admission has been fifty cents.

But if you paid twice fifty cents to
see this show, it would still be worth it.
The Boy Scouts represent the youth of
our great nation, and it is upon the

youth that our future depends. So it
is of great interest to you, not only as
a parent, but as a citizen, to see what
these youths are doing in the way of
activities.

At this Exposition you will see Cub
and Boy Scout exhibits that will open
your eyes. You will come away sur-
prised, and perhaps a little ashamed,
that you had known so little of the
Scout movement.

Boy Scout Week, which is being
celebrated from February 6 to 12, has
special significance this year because
this great organization is just com-
pleting 40 years of active service.

The work done by the Scouts—and
here we must not fail to mention our
many adult Scout volunteer leaders, for
they have been of inestimable value to
our community—has made a signal con-
tribution to the development of finer
ideals among our youth and the estab-
lishment of higher concepts of citizen-
ship.

During the war the Boy Scouts did
a tremendous job in their own field to
aid the war effort. In peace they are
working with Scouts of other nations
to achieve understanding and lasting
friendship among men.

Let's show the Scouts and the Scout
leaders in the township that we sin-
cerely appreciate their fine efforts.

How can we show them?
We can attend the big Exposition
tomorrow night and let them know that
we, as parents and friends of Scouts,
are interested in them.

WASHINGTON FIVES CLOSE SEASON HERE NEXT WEEK

The Washington cagers will en-
ter their last week of the 1949-50
basketball season next week and
bring to a close a season that has
been noticeably marked with two
and three-point losses.

Since the season opened here
on December 6 the varsity and
lightweights have showed marked
improvement under the guidance
of Coaches Clyde Voorhees and Don
Wolfe, but have lacked the final
punch to overcome a two and
three-point deficit in the closing
minutes.

Tonight the two squads will be
hosts to the Campbell quintets in a
S.C.V.A.L. double-header sched-
uled for 7:30 p.m.

Tuesday they will journey to
Los Gatos for an afternoon twin-
bill conference meet and next
Friday will close their season on
the home maples against the San
Jose Tech squads.

Last Friday night, on the Mt.
View court, the Puppies went down
to a stinging 47 to 16 defeat and
the Huskies folded in the second
half, after leading 17-15 at the
half-way mark, to lose 34 to 37.

A pickup squad of alumnus,
which included Rodriguez, Morlos,
Rose, Vallesquez, Hernandez, Bo-
livia, Enciso, Correa, Smith and
Torres, downed the "B" squad 27
to 25 in a scrimmage Monday eve-
ning.

The varsity cagers won a 32-30
decision over an alumni group
which included Furtado, Fernan-
dez, Nunes, Vargas, Havey, Peix-
otto, Maffey, Freitas, Rogers and
Oliver. The grads held a 20-10
lead at the half-time, but those
soft muscles and tender feet
played out in the closing minutes.

The local squads won a double-
header from non-conference Menlo
on the home court Tuesday, the
lightweights winning 20 to 17 and
the varsity 32 to 30.

VALENTINE PARTY FOR LAURA LOMA PARLOR

A very enjoyable evening was
spent by the members of Laura
Loma Parlor, N.D.G.W., Tuesday
evening.

Following the business meeting
the members enjoyed a delightful
Valentine party under the direc-
tion of President Dorothea Rose.
The tables were decorated by the
committee, with refreshments and
valentines for all. Mrs. Lauretta
Berry, deputy grand president to
the Parlor, was an honored guest.

Next Tuesday evening the mem-
bers of the Parlor will pay a visit
to Pleasanton Parlor.

12 VETERANS FROM CHAMPIONSHIP NINE BEGIN WORKOUTS

Twelve lettermen from last sea-
son's Santa Clara Valley Athletic
League's championship baseball
team answered the first call for
spring practice at Washington
Union High School on Wednesday
afternoon.

Coach Irving Hird, who consis-
tently produces top bracket teams
from his material here, had a defi-
nite gleam of satisfaction in his
eyes as he surveyed the promising
material.

PROSPECTS GOOD
Never one to be overly optimistic,
Coach Hird dropped his guard
momentarily Wednesday and com-
mented that nothing short of
over-confidence should keep the
local club from duplicating the
feat of last year's championship
nine.

"However," Hird added, after
regaining his composure, "most of
the other schools in the league
have the biggest share of their
clubs back and it will be a tough
season for all of us."

The bulk of the mound duty
this year will fall on Elizarry,
southpaw hurler, who had a tre-
mendous season last year as a
freshman. Also adding weight to
the pitching staff will be George
Rego and Maurice Vargas, who
saw considerable duty as relief
hurlers last season. Up from the
Frosh-Soph team of the 1948-49
season is Joe Castro who will make
a strong bid for pitching honors.
Other lettermen taking their

pre-season workouts Wednesday
were: Pagan, catcher; Francis, first
base; Berrios, second base; Bet-
tencourt and Leal, third base; Ma-
chado, shortstop; Cicairos, Garcia,
Yuhl and Salvador, outfield, and
Bachelder, utility.

Another infielder with a great
deal of promise is Tony Nieves,

who played first base for the
American Legion club here last
season.

Coach Hird said this week that
Don Wolfe will coach the Frosh-
Soph club this season.

The varsity will open its season
with a home game on March 3
against San Jose High.

CAFETERIA READY TO OPEN AT NEWARK ELEMENTARY SCHOOL

A cafeteria will be opened at
the Newark Elementary School
within the next two or three weeks,
marking the first time in the his-
tory of the school that students
have had an opportunity to obtain
warm lunches on the school
grounds.

J. I. MacGregor, district super-
intendent and principal of the
school, said yesterday that he is
anticipating the cafeteria will
serve lunch to between 200 and
300 students daily.

A classroom in the old building
has been converted into a kitchen
and the students will be served in
the school auditorium.

MacGregor and the members
of the Board of Trustees of the
school have been purchasing equip-
ment from the state school surplus
for the past three years in prepara-
tion for the opening of a school
lunch program at Newark. Mac-
Gregor reported yesterday that
the school now has all the neces-
sary equipment.

A meeting of the Board of Trus-
tees will be called, probably next
week, at which time personnel will
be selected to operate the cafeteria.

Mrs. Fred Melhase, president of
the Newark P.T.A., announced this
week that her organization has a
fund of \$495 which will be turned
over to the trustees to aid in de-
fraying the cost of operating the
cafeteria.

Rheumatic heart disease is the
most common trouble occurring in
early life. It comes from rheu-
matic fever and is one of the ma-
jor causes of heart deaths.

Each Scout was allowed to bring

and more than 200 were in attend-
ance at the skating party and in
the words of Mrs. Lydia Orsetti,
scout leader, the party "was highly
successful." Mrs. Orsetti paid a
special tribute to "Mom and Pop"
White, owners and operators of
the rink, who joined in making
the evening so enjoyable for all.

Mrs. Frances Roeding served as
general chairman, aided by Mrs.
Mary Valles and Mrs. Rose Fine.
Chaperones were Mmes. Teeter,
Sousa, Mottershaw and Orsetti.

the quality of which was appreci-
ated with great enthusiasm.

guests for brief talks. Guests in-
cluded Supervisor Chester E. Stan-

The New York Fashion Academy
Gold Medal Award for the Fashion Car of the Year

WHAT sterling is to silver, the Fashion Academy of New York is to the world of fashion—the last word! And again for 1950, as for 1949, it has selected the Ford Car to receive its distinguished gold medal award as "Fashion Car of the Year." There is, we believe, no greater proof of the beauty of the '50 Ford. And there's no greater proof of its fine performance than a 10-minute "test drive." Your Ford Dealer will be glad to arrange it.

GREAT PIANIST IN SAN JOSE SOON

Rudolf Firkusny, celebrated Czech pianist, plays at the fifth event of the Concert Series in the auditorium, San Jose, on Friday night, February 24. The pianist, whose touch and tone are compared with De Pachman's, and who is hailed as the "foremost pianist of his generation," will play works of Mozart, Beethoven, Chopin, Martinu, Debussy and Liszt.

So great is Firkusny's popularity that he played six times with the Los Angeles Philharmonic last November, just before that playing 13 times in Tel Aviv, Palestine, and with orchestras of London, Paris, Brussels and Rome. He plays some 50 times during his current tour of the United States, following which he goes to South America, where he is an idol.

Two changes in the San Jose concerts are to be noted: The San Francisco Symphony, scheduled for February 10, will not play until March 19, when tickets dated February 10 will be used. The Piano Quartet originally announced for March 3, has been cancelled, the famous two-piano team of Luboshutz and Nemenoff taking its place on April 17. Tickets dated March 3 will be used April 17.

Tickets for all events are on sale at the Denny-Watrous box office, San Jose auditorium.

Mrs. Chris Silveira, Mr. and Mrs. John Brown, Mr. and Mrs. George Rogers, Mrs. Mary Azevedo, Mr. and Mrs. Joe Bettencourt, Mr. and Mrs. Joe Trinidad, Mr. and Mrs. Frank Gemignani, Mr. and Mrs. Manuel F. George, Mr. and Mrs. Tony Rose and Mr. and Mrs. Manuel Rose. The evening was spent at cards. Refreshments were served.

VICTORY CIRCLE WHIST

A whist party will be held on Friday, Feb. 17, at the home of Mrs. Adeline R. Santos, 178 Central Avenue in Centerville, for the benefit of the welfare fund of Victory Circle No. 106, U.A.O.D., at 1:30 p.m. Refreshments will be served after the game. Members, friends and the public are invited.

RUSHED TO HOSPITAL

Mr. Chris Mickelsen of Oak Street was taken ill on Saturday night and was rushed by ambulance to the San Jose Hospital. We are happy to report that Chris recovered from his illness and is at home now and doing very nicely.

ATTEND SCOUT EXPOSITION

Mr. and Mrs. Phil Sousa of Oak Street attended the Scout Exposition in Hayward last Saturday evening.

SURPRISE PARTY

A large group of friends and relatives surprised Mr. Manuel Silveira at his home on Fremont Avenue with a surprise birthday party. Even his wife, Chris, knew nothing of the affair and was just as surprised as he. The party was planned by Mr. and Mrs. Frank Gemignani of Niles and the guests were: Mary Maciel,
